To Whom It May Concern:

On behalf of Jackson Health Foundation (JHF), we are happy to confirm that Mr. Roberto Isaias is a wonderful friend and supporter of the Foundation, and has donated a total of \$148,100.

Mr. Isaias' donations to JHF started in 2012; and have supported various programs for the benefit of Jackson Health System.

For a century, Jackson Health System (JHS) has been making miracles daily in Miami-Dade County. Jackson has grown to become one of the largest nonprofit academic medical systems in the nation, offering world-class care to any person who walks through its doors. With a mission to improve the health of the community by providing a single, high standard of quality care for the residents of Miami-Dade County, JHS is governed by the Public Health Trust Board of Trustees, a dedicated team of citizen volunteers acting on behalf of the Miami-Dade Board of County Commissioners.

Mr. Isaias' philanthropic support has benefitted programs such as:

The International Kids Wonderfund whose mission is to raise philanthropic support to be used to off-set the medical costs for life-saving and life-changing treatments for children, who cannot be treated within their country of origin and, who without this assistance, would have no other options for treatment. Since its inception, IKF Wonderfund has raised over \$22 Million for the medical care of over 700 children worldwide.

The Miracle Fund supports JHS and by helping to bridge the gap in funding for projects and programs needed for improved and new facilities, state of the art medical care and emergency patient needs.

Jackson Health Foundation is the private fundraising arm of Jackson Health System the most comprehensive healthcare provider in South Florida. Established in 1991, the Foundation is governed by a volunteer board of directors committed to philanthropic activities that benefit the medical programs and services at JHS. Through the generosity of compassionate donors, the Foundation helps to fill the gaps of major capital projects and programmatic needs that cannot be financed by public bond support.

Dear Mr. Isaias:

Thank you for your continued support of Baptist Health Foundation. We greatly appreciate your engagement as Founders Society members since 2010. Your donations towards the Baptist Children's Hospital have truly made a difference in the lives of so many of our pediatric patients.

Through the generosity of donors such as yourselves, Baptist Health Foundation is able to assist the organization's facilities in keeping pace with technology and equipment advances, perform cutting-edge research and offer continuing education opportunities to clinical staff.

With sincere appreciation,

Natalia Ferrer
Director of Development
Baptist Health Foundation

To Whom it May Concern:

I have had the pleasure of knowing Roberto Isaias for six years. Mr. Isaias has been a generous supporter of Voices For Children Foundation, Inc., a non-profit organization that serves abused, abandoned and neglected children in foster care. Over the past six years, Mr. Isaias has contributed over \$75,000 to the organization both personally and through his corporation, Pacific Cable Television, Inc. I serve as President and CEO of this organization and have come to know Mr. Isaias as not only a donor but also a friend. We share the same passion for transforming the lives of youth at risk and his support both financial as well as personal has gone a long way to do just that for several young people in our community.

I am deeply saddened to hear of the situation that Mr. Isaias finds himself in with regards to his immigration status. Please allow me to offer the assurance that he is an honest, respectable man of good moral character and does not in any way represent a danger or burden to our community nor our country.

Thank you in advance for your consideration and if there is anything I can do to assist Mr. Isaias further with regards to this situation, please do not hesitate to contact me at 305-281-4473.

Sincerely,
